

# Our track record: an illustration

## BG GROUP

Active in 27 countries on five continents, BG Group has a broad portfolio of exploration and production, Liquefied Natural Gas (LNG), transmission and distribution and power generation business interests.

### A lasting and valuable relationship

**1999:** Global SCS (formerly Global Materials Services) first worked with BG Group providing Contracts and Procurement services for the UK region. The specific nature of the work covers OCTG, sub-trees and completion equipment.

**2009:** Global SCS as a result of this strong, mutually beneficial relationship have now increased coverage to 14 international regions through a BG Global Framework Agreement.

### quality and value solutions

- cost savings of up to \$4 million on OCTG for West Alpha Consortium (BG, Nexen, Centrica, Noreco and Petro Canada) through dynamic procurement and bespoke evaluation tools

PART OF THE GLOBAL ENERGY GROUP  
**GEGROUP.COM**

Global SCS – adding value to our customers' operations through expertise, experience and in-depth understanding of the many countries and cultures they work in.
